INITIATIVE OF THE CLEAN ENERGY MINISTERIAL

Equality Initiative Ambassadors Program

Thank you for interest to serve in the 2025-2027 the Equality Initiative Ambassadors Program. Equality Ambassadors are given opportunities to attract, retain, and inspire the next generation of women leaders in the clean energy sector and contribute to the growth of the community. The Equality Initiative provides a platform to speak publicly, draw attention to important work, serve as a role model, increase women's participation and leadership, and champion the careers of up-and-coming professionals in the field. It provides an opportunity to interact with a driven group of proactive and highly qualified women, men, and nonbinary individuals who act as clean energy leaders and champions of gender equality.

In order to complete your application process, please provide the following information. Your profile will be published on the website:
